

# *In Memory of Ace*

© Doug DuKane/SpotShots

*This photo captures Ace's zest for life. He didn't have many trials due to the onset of epilepsy. Ace loved life and lived it to the fullest until the end. He was taken from us all too soon and we will always love him. Goodbye for now my friend.*

*~Robin McNeill*

**Please continue to help us support the research by making a donation and sending in a blood sample on your affected dog and your dog 10+ years old that has never had a seizure.**
