

Jack Angelo... A Life

(November 10, 2009 – November 13, 2012)

Epilepsy wasted his body, but he never wasted a moment of his life.

His life inspired me, and he inspires me still.

He fought through his pain, and taught me to keep fighting in spite of my pain.

I lost him to epilepsy, but his spirit is with me still.

A body may die, but love never does.
